

## Academy-Next: Rules of Engagement

The following guidelines apply to all members of our Academy-Next network.

The Community offers a place to share information and inspiration with each other Group mates in a positive, supportive way. To maintain the spirit of our Group, we ask the following of all members:

1. **Be kind and tolerant.** In other words, treat others as you wish to be treated. Any posts or comments that are negative, unkind, or intolerant will be deleted by the Group Administrator(s) (GA).

2. **Be supportive and generous.** At Academy we would love to know what you're working on and see you in action. Do not refrain to also ask feedback to all other Community members.

3. **Don't breach IP rights.** Do not share any content (written or image) that violates another person or entity's intellectual property rights, and attribute content creation to the appropriate party.

4. **Respect other Community members.** Don't re-use or re-purpose another member's content in any format or on any platform without first asking that member's express permission.

5. **Ask permission before posting sponsorship opportunities.** Contact the Administrator before sharing any opportunities with the group regarding sponsorships. Our Community is primarily for mutual support and encouragement of our Community members, and is not primarily a promotional platform.

6. **Do not share the content from this Community outside the Community.** The monthly resources and content you receive as part of this exclusive forum are proprietary and should only be used by members of this Community and specific levels of membership.

Please do not share them outside of your membership level or the Community. We've worked hard to bring you these exclusive resources to help you refine your practices.

If you have any questions about the Community Rules and how they apply to your behaviour, or if you believe any community member has violated any of these guidelines, please contact us immediately. Violation of any of these guidelines is grounds for removal from Academy, at the sole discretion of Academy. Use this community to your advantage! Don't be shy and start your learning journey from today.
